Subject: Re: Japan

im trying but still coughing. . . don't wo=ry, no need to change your plans. fake money is really g=od. . we can print some . with your tamper proof attache= or not. . Im not sure how the govt attacks it. ◆=A0 we make it the encrypted version of monopoly money. . on e=ch bill it says. fake. not real, etc. =t has an embedded code to verify its fakeness
