Regarding further detail of the interview which I have reviewed I=would like to add one further point to underscore the lack of probity in [REDACTED] claims

At no point in Ms Maxwell's life has she ever contemplated tho=ght or wanted to bring up someone's child as her own and or =sk the mother to sign her rights away to the child. In fact the mere idea =f such a suggestion is abhorrent. Further, the idea that Ms Maxwell would contemplate an arrangement with someone who abused d=ugs and alcohol contemporaneously and who was living with her fiancé =eggars belief.

No document has ever been contemplated, created nor lawyer nor other a=proached to write such a document at anytime
