Greetings Sir,

For your knowledge, John's email below is an update on what he discussed with you yesterday regarding CZM.

John is also asking for confirmation of the following:

"I do need to confirm that the roof over the dumpsters (Building B) will be 20 feet high to accommodate a 16 feet high door. The roof will be a "flat" shed."

Respectfully, Daphne

Greetings,

I have a tentative meeting scheduled with J.P. Oriol and Dave Rosas of CZM on Tuesday May 5, 2015 at 10:00am. We will be discussing the placement of the proposed new building closer to the shore. I will send a preliminary site plan tomorrow. We are also making the modifications to the R.O. & Generator Buildings Roof project. I do need to confirm that the roof over the dumpsters (Building B) will be 20 feet high to accommodate a 16 feet high door. The roof will be a "flat" shed. /u>
