Hi Jeffrey,

I have not been able to identify the house/hotel you asked about. It seems that just about every Maison d'hôtel is for sale and there are dozens of them. Do you have any chance have a name or something else which would help me identify the property. HBJ's home is just to the north of a huge golf course development called Amelkis.

Are still planning a visit? Just to let you know I will be travelling from the 7th-12th May. But will remain in Morocco after that until early June.

As ever,

Mark

Hi Jeffrey,

Yes of course. The Turkish architect I have been talking about is called =ete Deniz. I think he would be perfectly suited to help you with building = similar project on your island. His contact number is:

[REDACTED]

The only email I have is=for his wife Aysegul, who incidentally has equisite taste. Her homes in Lo=don, Istanbul and Marrakech have been featured in most magazines and set h=r apart from the mundane decorators you normally come across.

Aysegul's email is:

= will come back to with regard to comp properties.

I strongly urge you to stay in the Royal Mansour when you come at the end=of April.

As ever,
