 • Rear air conditioning - With separate controls  
 • Audio controls on steering wheel  
 • Universal remote transmitter  
 • Driver memory seats  
 • Clock - In-radio display

P.S. To explain how my sales consultation services will greatly reduce your time and effort needed to find your next new vehicle, I've outlined what you can expect from me. And, since Gunn is a "One Simple Price" dealership you can be sure to get a highly competitive price while avoiding the time wasting and frustrating hassle of negotiating a deal.

Here is how it works.

1. You tell me the "must haves" for the right vehicle for you.
2. I search our lot to locate vehicles meeting your requirements and send you the specifics and prices to review.
3. Once you have made a choice, you may come here or I bring the vehicle to your place of business or residence for your inspection. (The option is up to you and your level of comfort; This is Gunn - home of no hassles or haggling!)
4. If the vehicle is not the one right for you, I continue the search and the inspection process until we find the one that you decide to buy.
5. Trade-in, buy or lease, benefits and/or advantages of warranty products - I am a fully trained Buick and GMC factory sales consultant, so any question you have, I am here to help make the best decision for you.
6. Only when you are ready do you finalize finance/title documentation at the dealership and take delivery of your next vehicle. At Gunn, it's not what or when you buy that feels right, but where you buy!
