Subject:	St Thomas historic properties

Hi Jeffrey,

Just saw that the owner of the largest historic estates and tourist sites is=selling everything on St. Thomas. This includes castles and the botanical g=rden as well as some of the nicest properties on the island

See link below

How tough do you think it would be to find someone who'd be interested in in=esting in those properties? They could be turned into a profitable tourist a=traction. As you may know, I am originally from Denmark, and this is a larg= part of Danish history. I have close contacts to all the Danish travel age=cies sending tourists to the USVI and would love to be leading a project li=e this.

Any chance that his could be something you'd be interested in working on?
