Subject: Calder 1031

Hi Melanie,

Will you please print this and give it to Leon?

Thanks!

Heather

Hi Leon,

Have you spoken with the dealer that you would like to use for the Calder exchange? Just as a reminder, it needs to be someone you haven't worked with in the last two years, so it could be Pace or Mnuchin Gallery or Zwirner & Wirth (as examples), but it cannot be Gagosian, Acquavella, Matthew Marks or Sublime=

I'm going to go ahead and have our outside 103= counsel draft the exchange documents for the Calder. Please let me =now once you have spoken with the dealer, so I can get the exchange paperw=rk out to him/her.

As a reminder, you and the dealer will need to sign =he paperwork before the Christie's auction on Monday night in order =or the exchange to work.

Please let me know if you have any questions.</=:p>

Best,

Heather
