I will confirm that War=enty is honored at any Gulfstream facility,, I've already request =n interior person to look at the plane at Jet,

Also the CMC failed on =his flight, this was repaired at Savannah before we departed, the CMC is c=mputer that records engine and aircraft systems and sends this data to Gul=stream in Savanah and also Pete is able to view this info on his computer,= it's similar to a flight data recorder except it transmits this i=formation via satellite.

Gulfstream will work the CMC issue an I=E2◆◆ll meet with Plane Perfect interior shop, they are Gulfstream Palm=Beach sub- contractor for any interior work,

Thx<=div>
