Hi Jeffrey,

Just saw that the owner of the largest historic estates and tourist sites i= selling everything on St. Thomas. This includes castles and the botanical=garden as well as some of the nicest properties on the island

See link below

How tough do you think it would be to find someone who'd be interested =n investing in those properties? They could be turned into a profitable to=rst attraction. As you may know, I am originally from Denmark, and this i= a large part of Danish history. I have close contacts to all the Danish t=avel agencies sending tourists to the USVI and would love to be leading a =roject like this.

Any chance that his could be something you'd be interested in working o=?
