I know that both you and I heard brads'. =A0 im out of here if i dont get a coo. . sorry,. i know that n=ither of us have stood in the way of his finding/ gettting one.. JPM=account DB account GS account, ??? its MAY 1. nothing in=the first quarter and these are only papers that need signing.

<=iv>I suggest your thinking on my role and compensation for my work m=ght benefit , from a mental shift - think mark and josh, without the=mutual resentment (HAHA) only in terms of sharing ,thanks, =A0 I am and have been your financial partner i.. rectifying c=rcumstances that appear in hind sight unexplainable. =A0 I wish you woudl have asked me earllier to review your things , but i u=derstand. I do know that soley as a result of my actions your=personal bottom line has increased dramatic=ly, if you had thought of me as your partner in this endeavor =A0 , instead of an employee, i think your reaction to sharing t bene=its would be different.

If you recall, you wan=ed me to be paid , unlike others at the END of my work. we dis=ussed this ad nauseum, and agreed OCT 15, last year was the end . =A0 You had wanted more comfort initially on the art partnershi= so that date was delayed. It has now been six monhts since th=n, your concept of aftercare . . for free. was alr=ady unique , in your words this has to have an end.(weaned)= if the actions of josh and mark led to one =undred million dollars , what would be their share. Im =ot sure why it is different in your mind. but i respect the fact that it i=, Is it because their work seems harder. it cannot=be simply because they devote more time to you .or it appears to inv=lve more effort. I am happy to continue to play a partne=ship role. as I have been in many areas of your life. . I am a=so happy to move on and have no more of these emails. I find them as=tedious as you do . if you prefer a partnership structure , ok with =e, I tried to minimize the amount of money i would recieve by making=it a flat fee . as i wanted you to feel good and have no second thoguths =C2 somehow if the payment comes from a partnership structure you =eem relaxed as opposed to writing a check, I focus on =A0 trust and friendship first, and the fact that you don't include jos= and mark in that category, gives me great pause . I pr=posed 33 percent of money made for you. . in the past you agreed tha= amount. it will be huge, but ok with me, I=can talk today at 945 as you suggested. or if you woudl rather over the we=kend ok
