H=yz,

So, I forwarded your email to David and we dis=ussed. In addition to the fact that the proposal was unsigned by Bor=s (but let's leave that aside), David doesn't like the not= structure because his attorneys believe he will have more protection as t=e general partner of a new vehicle that actually owns the shares. Ra=her than potentially obtaining a judgment and having to collect from Boris=personally.

David would like Boris to choo=e one of the two offers he submitted to Gunderson, based on Gunderson♦=80♦s original framework (the one you sent to me and then I sent it to Da=id and then his attorneys edited it and then David signed it and sent it t= Gunderson). He expects Boris to choose one of those structures, mak= a counter proposal, initial his changes, sign the document and have Gunde=son send it back to David.

At this point, I would=really like to limit my involvement and the time I spend on this. So= if you think Boris can work with you and his attorneys to counter one of =avid's proposals in writing, I think that would be best and most e=ficient. It's all the same economics anyway.
