What this book really thought me the most is to learn how =o manage risks and leave aside what I call my "comfortable zone&=quot; if I truly want to succeed. If I don't take the risk I will end u= misarable.. I won't let it happen

The Road Not Taken

BY RO=ERT FROST

Two roads diverged in a yellow wo=d,

Then took the other, as j=st as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;=C2◆
<=ont size="2">Though=as for that the passing there
Had worn them really about the same, </=ont>

And both=that morning equally lay
In leaves no step had trodden black. =/div>
Oh, I kept the first for a=other day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.◆=A0

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged=in a wood, and I—
I took the one less traveled by,
And that has made all the dif=erence.
