Co-l. I'm running into a dinner. I do believe the idea of Boris separating/escrowing 10% of the Blue Talon and DigiSight stock and allocating to David any potential upside on that chunk of stock makes sense. A0 Boris can control if and when the stock is sold and would have to do so ratably with his other 90%, which would presumably reside in his fund. A0 That plus some cash should get us there. I'm not sure David will accept \$250K at this point, but I'll push and push. I do know that he only wants to see a written offer at this point, which I was going to ask you for, but you're already ahead of me! :)

Hi Jeffrey,<=div>

So nice to meet you. I wish it had happened under different circumstances. Of course, I would be pleased to speak with you. I don't know that it will change the dynamic, because there have been several mediators (including me), but no one has been able to crack the nut. It seems as though it's been impossible to get to yes, for reasons I honestly don't understand. I am working from home and available to chat at your convenience. If you would like me to ask David Schwarz to join our call, I am happy to check his availability as well.

All the best,

Peter
