I want to be clear thought i presented this deal =A0 I think it not great for you. my idea and like usual the on= i prefer is I think we should simply have a note payable fro= you to david , of 310k today, and 50 perrcent of your realized carr=ed interest on the two deals . a note in exchange for a release. -=C2 your way ties up 400k for many years with no return, =A0 and is complicated by disclousres dividends revceived etc. =C2 since there is no definition of profit . to fight him yo= might declare to bgi that you have no intention of payiing back the loatn=and they can foreclose in lieu of payment. david will then hav= to sue you and or bill
