Subject: Re:

No sir. the new m cell that james sent=down requires registering and there is not an option for the VI. I have ale=ted james about the situation in hopes that it to be a fix for this version=unlike the previous m cell.

I was hoping for=a working solution to the signal problem. If he does not have an answer I c=n send it back and James can install it in an estate on the main land. =

Regards
Jruan
