Carlos is requesting Copper Coating for PRD since it's always in the Wa=er?

Copper Coating is an anti fouling paint with a high copper content. We use = Gallons of anti fouling regular boat paint every year on PRD for \$600.00.=br>

We can buy the Copper Coating for \$900.00 and it will last up to 8-10 years=without having to re-paint every year.

Please advise,
