Jeffrey,

Last year you asked me to send you information about our activities in March of 2018 when you make decisions for recipients of your philanthropic efforts.

Now that we are halfway through the month, I hope you will take a look at our 2017 Donor Report <<http://www.secdresponse.org/2017-donor-repo=t/>> -- and if you are up to looking at the history, check out the 2016 Donor Report <<http://www.secdresponse.org/2016-donor-rep=rt/>> for some great videos as well.

You've made a difference in our past and I'd be very grateful if you'd consider helping us underwrite training once again. <= href="http://www.fortunateblessings.org/board/">Our Board of Directors =/a>and the Advisory Council <<http://www.fortunateblessings.org/=oard/>> is pretty solid now (including two college Presidents) and has helped steer the ship. We need to help kids face ongoing traumas in school, and our teams are in great demand -- requiring additional training for facilitators.

We are also equipped to receive donations of stock. Thanks in advance for anything you can do.

Warm regards,
=div>

Bill
