Sorry I disagree. I want an education before. And anyways I will take = job only if it's a good one and something I really would like to do. I will not take the first offer just to have a job. They are consequences and I don't want to risk and fuck up my future. If I get the right offer ok if not I will continue my way and finish what I've started. It's easy to say this to get free of responsibility after I've almost fucked up my year of school to stay with you=.. Tell me, what kind of job do you think I can get now ? Seriously <=iv>

Ok, I'm glad you are ok. It=was the only thing I wanted to know. I will stop from now on telling =ou things that I will do. If I do it good, if not my responsibility, my fault. I'm happy of many things I did today. I understand I've lost my credibility with you. No need to talk if you don't want. Just see= results. Miss you

Good night
