I need someone to tell me how much they would invest assuming the due dilig=nce proves out, etc. It's not a commitment, much more a statement of i=tent and preparedness to back us if we decide to proceed and they themselv=s are satisfied with the overall transaction once it solidifies. Morgan Stanley will call them and ask it they are prep=red to back us to the tune of whatever their number is, again assuming the=due dil proves out etc. Morgan Stanley will also need to satisfy themselv= that each investor has the wherewithal to write their portion of the check should they elect to do so. So all I r=ally need is an email saying that assuming everyone is satisfied with the =results of the due dil and the structure, they would be prepared to invest =x. Totally non-binding.
