Good Day Rich,

Hope alls well with you and your family. We have =etwork issues, which caused LSJ to be without Internet. I am =orking on it presently and should have it all completed today. I =ill be charging you for this, as I still don't have a service contract =ith you for the system. Choice has made it very clear to me that =e own our equipment and we are solely in charge of it. We are =aying for bandwidth and tower space only. I offered you a service =ontract at \$3,500.00 a month which covers the main links, controllers, =ridges, and access points on LSJ and STC. I have informed Anna of =his and will draft up the service contract for your review. I =ill notify you as soon as the service is back up a 100%.

Warm Regards,  
Terrence =absatt
