Subject: A Hint

We have reservations on a 6:00pm flight. People are scurrying about tr=ing to get things done in the next several hours. The governor also needs =e to address something. It is now about 4:00 pm in London. If we do not he=r from them by 1:00 pm today we will assume that they will not expect to see us until Friday (as one gener=llly arrives the day following the date on which one travels so if we he=r nothing until tomorrow we won't arrive until Friday).
