Subject: Oh

And since no phone time

Yes darpa just a question of when

Both bill and Jim want me to stay connected and advising for some of my time=till mid 2017 (end of first term at Bank). Can be a day a week or just an h=ur each morning etc.

And I'm starting to attend at Hopkins As early as summer - got credentials a=d will join the vascular service which is combo neurology and neurosurgery (=nd I guess neuro radiology although they don't manage patients). Not gonna d= SEATTLE attending once I move to Hopkins. Have been going on Tuesdays and t=ey asked me for a bigger commitment. Which feels super nice.

Plus some other cool stuff to talk about

```xml
