Mr. Epstein, =/u>

I am the Executive Director at a local New Mexico non-profit. We =re a very unique program and are currently the subject of an IRB approved =study in regards to our approach in helping the homeless and those individu=ls dealing with substance abuse issues. Our Four Pillars of Education-Exer=ise-Community-Service are proving to be very successful in our approach to=addressing these very important social problems. We are a very unique prog=am with no others like us in existence, that we know.

I would= very much, like to know if we might be eligible for any type of funding t=rough your foundation. We receive no governmental funding and prefer to ke=p it that way.

</=>

I could go in to more detail about what this f=nding would do and how it would be utilized to further our vision and miss=on if necessary. However, I would first like to know if we are eligible fo= support.

=p class="MsoNormal">I know this email probably goes to a representative =f yours. So, forgive me if it is addressed improperly.

=thank you for the time.

Respectfully,

Jeffrey Holland, LMSW
