Latest update below says Pullman will not be available until fall 2017. Not sure, if this changes your thoughts on s=00 maybach we canceled. It appears to still be available. Please advise. Thank you.

Hi Rich ,

As per our conversation I am send you this confirmation on the status of the Mercedes-Maybach ( Pullman or Equivalent ) .

I am told today and confirmed that the Mercedes-Maybach S600 ( Pullman or Equivalent ) that was going to come out next year=will actually be out in the Fall of 2017 as a 2018 model car .</=>

Please let me know what you want to do as far as this=order on the new car being the Pullman or Equivalent .

The original car you ordered is at the Port and should get released any moment this month .

I do not have a hold on the original car so it is up as stock to be sold . If you want to revert back to the original car and trade it in once they actually build the later car .

Let me know asap so we don't miss out and have to wait for another order or interim car .

Thanks and have a great Holiday !

Best Regards ,

Gary M. Mann
