Subject: G550 test flight

Jeffrey

Just Had another great TestFlight just in the G550 was flying 1.5 hours Pete says the aircraft interior during takeoff roll is absolutely quiet not a=rattle to be heard!

Only need a slight loosening of the VIP veneer cover that houses the cell ph=ne and light controls.

Drawers are tight,. Latches don't rattle,.

I'm heading to PBI tonight at 9pm,. Pete and I were at the plane 16 h=urs each day, we had a good time during delivery

What a plane!!

Should I send Bill and Dave home upon arrival in Teterboro Tues morn ?

Thx,

Larry
