Dear Mr. Epstein

It has been a long time since you have heard anything from me. That is=because nothing resulted from the connection with the Hong Kong police.

But now, suddenly I have had some telephone calls from

Emilia Chidester

Former US Stock Broker - Series 7  
Senior Economic Analyst and Independent Researcher  
office: [REDACTED]

who claims there is an ongoing legal proceeding in New York connected =o my case. I have made a renewed contact with

phishing@irs.gov=/a>

Online Fraud Detection and Prevention (OFDP) Internal Revenue Service United States Department of the Treasury  
<mailto:phishing@irs.gov>

and received som emails that I will forward for your information.
