every sophisticated intelligence agency has its insertions in the crowd. chinese especially, how do you think they get the hacks. ? they are not creative. , they convince the spectrum boys to play a game. / as the boys are socially retarded they just play and give up their secrets re the kernel (not colonel) . there is also an exchange for money for what is known as zero day exploits . hacks that can be bought , and have never (zero day) been used.

This group most dangerous?

Wow

U know these guys???

what was the 20k reference

Do u think I could get an invite to speak??
