Jeffrey,
Good =orning.

Below are several links for banquette =deas.
All of these can be made with higher backs and either =ith or without legs.
I spoke to my upholsterer about this =eing 10' long and he suggested
a tight seat if you don't want =agging in the seat cushion but it can be done
as a loose =ushion too. Seams will depend on the fabric width and =hether
it can be railroaded.

I will =ook for other examples and
I plan on shopping for the =abric this afternoon.
