Ref Boeing 727,,

Larry Morrison is sending #1 Nav radio to Miami for repair due to digits dis=lay fault, 7 day repair of our unit for $2,700 / (exchange price range $870=. - $12,000)., we elected to repair ours.,

Also, we have an AD due to X-ray Flap area due in June,

-We have a small Hydraulic leak in Elevator control actuator, causing paint t= peak on Horizontal stabilizer., I'd like to take plane to Brunswick for repair of elevator, flap X-ray and p=int work, if you don't have any flights scheduled for B727?

-I also get free parking while in Mx, in Brunswick.,

Should I schedule B727 into Brunswick after Radio repair?

Thx
Larry
