Subject: Re:

Jeffrey- the chart is hard to read...rich's internal notes. Here&#=9;s what I got from my conversation:
1. The 6.45mm rich noted this morn=is 1.76mm ldb (to be paid); 1.255 apo1 and .261apo2 (to be paid) and an ad=itional 3.2mm to be paid by apo1 which has been already been paid to narro=s and narrows to Ldb which shld be returned to apo1 so apo1 can pay NYS.2. Going thru melanie's back-up rich has found another 150k of taxes =ue. (He's gone thru 3 months and records are still not fully clear.)3. He believes he'll find another 100k going to 6.7mm total (That'=s just a guestimate).
4. I'm going to ask rich to reformat this wit= schedules which we'll keeping adding to daily as we find things.
5= Forensic work on melanie's acct very difficult and possible we won└=;t get 100% correct until october payment date. Rich. Believes we'll b= better than 99%.
