Subject: Argument

I am off to Russia but I wanted you to know that I appreciate the willingness= to consider. I know I am right having nothing to do with markets or sentiment. But a risk in sentiment in my case could lead to the exception proving the rule. Since I need to get this project up and running and funded by July 1=I am eager to press the argument.

In any event I enjoyed the exchange and value the friendship.

Stay well.

Leon
