I posted just now to=Raich Ende Malter client portal:

1. BNA projection =LDB 2014)
2. BNA projection =LDB 2015)
3. Workpapers prep=red by FO
4. Apollo tax dept=taxable income summary

Tom: Please give me = call once you have had a chance to review. Taxes FY 2014 are =lightly higher than year-end projection given slight revision in Apollo tax updated amounts and actual K-1's that have been received from outside funds. Taxes FY 2015 are projected to be much lower than =014.

I just completed my tax meeting with Tom and Rich. There were three key issues: (i) who does what (i.e., who prepares the returns de novo and who reviews, all in the context of Tom signing the returns); (ii) the mechanics of data preparation and sharing (in the context of Rich's belief that you get a higher degree of output accuracy if you disaggregate different categories of income or expense that software often combines); and (iii) establishing a time line that meets Rich's, Tom's, Alan D's and Jeffrey's needs.

1. Rich will prepare, Tom will review.
2. Rich will have materials to Tom by the end of next week in BNA projection format. (Obviously, the big number is Apollo which Rich should have Monday. He will then chase down his best estimates of other income and expense for the rest of the week.)
3. Tom will spend weekend of 3/28, 3/29 reviewing and then conferring with Rich on 3/30 and 3/31.
4. Materials will be delivered to Alan D by 4/3, which should give adequate time for review by Alan and Jeffrey.

Re=ember this is all in the context of filing for an extension. This means we=will use our best estimates for 2014 and insert a buffer to make certain w= are 100% paid-in. We will also be paying 2015 Q1 estimates.

On=a different note, Tom believes he has forwarded to Jeffrey 2014 final gift=tax returns and Rich and Tom will also have completed final returns for th= children by 4/15.

Jeffrey, please comment if anything appears problema=ic to you.
