Dear Jeffrey,

I and Thom Curtright from the University =f Miami, visited Long Island in the Bahamas, for the purpose of looki=g for possible sites for the Center for Physics we were planned. We were v=ry impressed by the beauty of the place.

We identified possible sites for the Cent=r for Physics one of the sites is conveniently located close to the resort=of Stella Maris. Locating the people visiting the Center in such resort co=ld be a possibility.

By the way, I was told that the resort of=Stella Maris is now for sale, but the owner wants only a selected num=er of people to know about this and I was told I could tell you, in case y=u were interested, contact Richard Keyworth email [REDACTED]>

I and Thom Curtright from the University =f Miami plan to visit again sometime in May and thought you may perhaps jo=n us, then you could tell us what should be the direction we should take=C2 .

Also, Thom and I had the idea of org=nizing a conference in the resort of Stella Maris in the middle of J=nuary 2016 tentatively, which could be the first activity of the center, e=en before any building is built, do you like this idea ?

that is all for now,</=iv>
all the best,
