The aircraft has been traded in and you are not obligated to buy it.&n=sp;

We will continue with the Chinese.

Furthermore, money laundering applies to buyer funds as Seller is alre=dy clear and has passed Wells Fargo Banks Trust KYC.

Nice try with your Money Laundering BS

For disclosure purposes, we need to know if it is a back =o back transaction. Money laundering laws are very meticulous now, =specially with a Swiss company. We would prefer to buy directly fro= the current seller.

Thank you for the revisions.

If you are charging a commission we understand and agree. However, is this a back to back transaction with an American company? We have unique circumstances that requires an answer. Please email back as I will have limited phone availability this afternoon.

Ali:

Contract makes reference to an Export C of A and requires Purchaser to pay the costs to get the plane to qualify for an Export C of A, but N registered? Contract makes reference to delivery in Europe? If N registered, the= why Export C of A and European delivery?

Contract is keyed =o Buyer's acceptance in a number of places when it is Buyer who is making the offer and it is the Seller who must accept.

\$3.5 MM deposit seems high for a \$28,500,000 price.

No penalty to Seller if they refuse to make any discrepancy corrections; only get the deposit back; we should get inspection costs and transaction costs if they refuse to make discrepancy corrections. No provision for a second flight test to check discrepancy corrections

Hours and Cycles o= the Specs are from May 2014 and need to be updated.

Dear=Rich,

An offer has come in overnight from a Chinese Buyer and it is attractive, I am told.

Seller would prefer to sell to US Buyer but if we don't shift gear fast enough we'll be out of this race.
