Dear cy=us, ,

Im sorry we won't be spending my birthday togethe=. Thank you very much for sending my things back. It wa= very thoughtful and kind, especially the packing. As I'm now sure you are a=ready aware Im heading out west with my boss to meet with his VC friends. Since you=had clearly mistaken my discipline for privacy as a "lack of transparency" , I wanted there not to be any awkwardness between us in the future . You probably are alr=ady aware that he is close to some of your investors. and will be spending time with sa few of them. Be assured I have only good things=to say about you and your co. As a few of them already k=ow of our realtionship , ('Ive spoken highly of you in the past). I thought=that might be in our mutual interest that you and I agree on a benign stor= for our breakup. I will leave out your hard-handed abrupt di=missal ie , sending me out in the middle of the night , which I am sure is not the standard =aught in any B school nor the paranoid monitoring of which cr=dit card I may have used. I only wish you well. as they are all workoholics I could say that you di=n't have enough time given your commitment to the co. or whatever =ou prefer. Be well
