**Subject:** not sure what to do

i architected and built you an amazingly elegant house. ♦=A0 your house manager has let the water run in many of the rooms , s=ut the doors . told some of the staff to mind their own business ♦=A0 , the basement is flooded and gets worse every day. your school chum is=standing knee deep in rising water ( tom is affable , brad is trying= and your in house counsel is trying to decide jurisdiction and ♦=A0 liability if she turn off the taps . your family offi=e is comprised of super cheap furniture , cheaper IT and low priced =elp. I believe you need an office for your family , your futur= and IT that is technologically up to date and upgradable. you want =o leave your kids the quality equivalent of your art collectio=. Leon ITS NUTS
