Geneva is booked all week,. Universal Paris is able to borrow an arrival slot to Geneva from Cartier for a 11:20 local time., The next available Departure slot from Geneva would have to be 6:45am on Thursday., Other issue would be, I'm only able to park on ramp for 6 hours, so departure slot does not work.

Apparently a Super car show convention in Geneva this week, plus two political events., NetJets may have slots reserved and usually release them two hours before slot time., it's possible to obtain a slot for arrival at last minute tomorrow= and same for a departure slot., nothing is firm except 11:20am arrival slot=.,

Option #2 would be land at Lyon France, a one hour car drive to Geneva.,

If arrival and departure slot opens I'll update you.,

Thx  
Larry
