Subject: LSJ internet update

Good Evening Boss,

Today, both internet outages were resolved from the St. Thomas side which has lead me to believe that the problem has to do with Choice service. I have requested that they run an 8 hour unobtrusive check to ensure that the link remains up and stable. In addition, due to the internet situation I forgot to come over today to LSJ to adjust the flag pole pool speakers. I would like to come over tomorrow to work on it.

Regards,
