Re your lawyers want to make clear the photos are the property of Mr. Epstein...Marvin says unfortunately that is not the way this is dealt with....NY Magazine basically has an embargo period for 2 months on the photos by which the photos would need to be sold by NY Magazine to you...after the 2 months after publication, the photos can be purchased through the photographer by you. Just like the words of Michael are his and belong to him as a freelancer, the pictures are the same. Marvin says he needs to know asap if this will be a problem and if we can continue on with this photo shoot...He says this is just the way it works...
