Dear Jeffrey  
Hello from Vienna

I read two informations that I believe make sense together Your friend Steve Balmer is obviously a fan of "Commander Cousteau" who was a famous sea explorer... And I see that Balmer spends a lot of money in ocean exploration

Now I read in an article this morning that the boat of Cousteau is in bad shape and will probably be seized in a little port of France.

May be Balmer would like to buy it and restore it?

Cheers  
Frederic
