Hi Brice,

Following is the response I got today from my Bel Canto =epresentative. They are missing the chasses on the units =hich are due in later this month.

---

The tentative date for us to receive=the chasses for the amps is 3/19/15. We are doing our best to move that =but I wanted to keep you updated.

I have moved your order up to =he first order to be processed for the amps when the chasses arrive. =Once in awhile my title means something!!)

If you need us to drop ship =hem there is no problem with that.

Please advise.

Hi Christian

I spoke with you Friday regarding the status of the 5 Belcanto Amps for the Ranch in New Mexico

Do you have any updates regarding delivery dates for this order.

If it is possible can the Amps be dropped shipped to NM to save time.

regards Brice
