She's! Great- I've found the opposite t=ough, I didn't really have to do that in my 20's, my pussy was enough= Now I feel like I've had 3 different fingers in my ass just this week. I'm=curious enough, fact, adventurous-ish one could say but there is a wave of w=ird foreplay sweeping the new scene and no one asks your permission. "Ahem,=do you like when I do this?" No, no one gives a shit anymore what you think= Gals gave up their right to have an opinion when they just let it happen, t=us the lack of concern offered by the male counter parts when they jam an u=-lubed finger in your back door and not notice/care when you squeak in disc=mfort. ...I will slap your hand... But even then you've only just bought yo=rself 5mins of anal relaxation before a stealthy yet abrupt digit finds its=way back in. ...So you like being slapped, ahe?.. We could very well be the=lost generation- lost every fucking clue. Once the re-entry has occurred, I=swear it's a different finger. So maybe that makes it okay? But then wait! W=at finger did you just use to play with my pussy? Oh god, no!!!!

(Too dramatic? ;)
