Shawn Miller called this evening and informed he met with you today,. He me=tioned building a hanger were the 3 trailers are located plus removing the=dilapidated port authority maintenance hanger and building a hanger for ou=GIV.,

Shawn mentioned that Britt Harrington, is part of this deal, he's the o=ner of execjet FBO, whom only sells Avgas,, he contracts Hancock to pump h=s Jet fuel needs,, so Britt is in bed with Hancock in some way,,

I don't like Britt, he's a slimy person who has no money and is bar=ey keeping his business afloat. He's known for not paying his bills.=C2 his goal is to get hanger and long lease from Port Authority, and tr= to sell his FBO to a major established company such as signature or Atlan=ic aviation for big money, he's a dreamer.,

Shawn mentioned his cheap fuel in west Puerto Rico,. For \$2.75 per gallon.=br> It's a cargo hub for fedex, and ex-military base, I have use this facil=ty for fuel stops in the helicopter.,

Shawn sent this rendering to me.,
