Hi Jeffrey,

I have a tiny amount of money in my retirement funds that slowly accrue in =01 and other things. What funds/bonds distribution should I keep that long=term money in? It's just sitting in money market right now.

I know this is WAAAY below your pay grade, but I have no idea how to decide=what it should be stored in. Most of my other stuff is property and as you=know, illiquid US and other tech startups.
