Dear Jeffrey,

Received your email. Guy West will be forwarding a revised agreement based on the construction scope we discussed. I think my original impression of how to work out the problems with the existing pool are correct and the association to the kitchen and adjacent structures is most natural. I do feel that the main entry should be moved to the opposite side of the island since that's where everyone ends up anyway. We should put the circular drive in as well, and turn the existing entry motorcourt into a garden.

Sorry I didn't reply sooner, I've been away for our anniversary.

Best,

Wally
