Hey Dad,

I take great offense to this email and I believe that people are entitled to their opinion even if I don't agree with it, but I don't understand why your children's names are being mentioned repeatedly throughout this lunatic response to a comment that you made. If this guy has a problem with something you said than he should deal with you directly and leave your family out of it. Only a sick individual would rant and rave in such a manner about someone's innocent children that they know nothing about.

As you and I both know opinions are like assholes everyone has one. Do not even dignify this lunatic with a response or an ounce of your time. I am a firm believer that whatever you wish for someone else and their family will come back to you ten fold.

Love Ya,

dear [REDACTED] and others

i am posting below an extremely nasty e-mail i have received and am copying this note to friends as well as all of my children—my own response follows

normally as we agreed, i am out of this whole subject, do not wish to be interviewed or quoted—I know nothing about Jeffrey's sexual life, have never seen an under-age girl near him or ever gone to a party that centered on women; period—that i do not know something relevant about age of first menstruation is trivially true

but this organism chooses to talk about my children and in an extremely offensive way, wishing every kind of harm on them

that is intolerable to me so i wrote a short note back telling the person to fuck off

—  
After reading your SICK, PERVERTED, and OFFENSIVE comments to Reuters the other day regarding the Jeffrey Epstein scandal, I felt the need to go out of my way and e-mail you. For ANY sane person, that has even a modicum of morality and human decency, to even ATTEMPT to justify, rationalize, or defend what Epstein did to those poor, underage girls is unconscionable!

YOU [REDACTED] ACTUALLY uttered the following words: "By the time they're=14 or 15, they're like grown women were 60 years ago, so I don't see these ac=s as so heinous."

You are a disgusting, deviant piece of shit! HOW DARE YOU!

[REDACTED], you are FUCKED in the head! There is something SERIOUSLY wrong with you. Now it's MY turn to say some "heinous" things to YOU.

Your Wikipedia page informed me that you have 4 daughters. Your twins [REDACTED]

[REDACTED]. I hope that EACH of your daughters get subjected to the most disgusting, deviant behavior that Jeffrey Epstein repeatedly engaged in with his underage female victims/slaves. I hope your daughters each get held as sex slaves, who, every hour, get repeatedly and BRITALLY gang raped by disgusting, STD infected transients like Jeffrey Epstein. I'm talking about YOUR daughters, Robert, getting violently raped over and over and over again.

How does

that feel? How does it feel to read something that atrocious, [REDACTED]

Then, after finally being released from their forced, sick, sexual bondage by people like Epstein, I hope that your 4 daughters, while all traveling together, crash and die in a car fire. Getting trapped under a gas truck would be preferable, so they can each slowly burn to death in the absolute worst way imaginable. Are you picturing this...you gets subjected to the very Epstein-like behavior that you defended and justified. Now fuck off and die.

[REDACTED] response

fuck yourself

you can not harm me with your ignorant shit

nor in any other way

and how dare you mention my children?

you know nothing about them yet you wish the worst on them

so fuck yourself

note these people never identify themselves, they are talking about death—where i am located is well known for much of every working day half of the year—yet they are only a set of initials and aol.com—for this reason i am thinking to ask the Rutgers police to make a note of the interaction

i do not know which state this organism resides in—but if it wants to tal= death, right down to that of my children, kindly tell me where you live so i can come discuss the matter with you—after all, it is not your children that under discussion

no, my address is widely available on the internet, this person is a set of symbols attached to aol.com

approach with caution
