Hey Bossm=n,

I'll purchase some small Bic lighters for all t=e little tote bags that we put everywhere as well as long plastic/wooden co=tainers to put the light torches and matches on the table.

=br>  
The Housekeepers said that the matches never last outside bec=use they would get wet or moist so they throw them out, They would normally=pick up the Light torches from outside when you leave because the tips insi=e would get rusted from the salt air or wet and they won't work.
