Greetings Sir,

I am still waiting to hear back from Dr. Maddirala. I called twice today - the second time his assistant told me that he knew that I called, he was in a meeting and would call me back on his return. I will call him again tomorrow morning if he has not gotten back to me.

I have [REDACTED]'s passport and will work on registering her online in her absence once I have your approval of the details of the class, credits, etc.

Respectfully, Daphne
