sneaky dog, you are wonderful!!!!

thank you so much for your generosity and kindness! I told my parents, they feel very uncomfortable. Because they didn't ask me for money> I offered to help because they had problems( but I understand I was very wrong and won't do it again without your permission) They are sending you big hug and kiss and saying that they have no words to explain their gratefulness and appreciation for everything you have done for their daughter (me) and them. And that they will be pray for you for your good health and further success in your career!!!

P.S. I so much enjoy learning to play piano. It is one of the things I always wanted to do but never and an opportunity during my childhood))) thank you for support and lending me your piano keyboard. Do you know when I could possibly get it? so I could practice my homework for wed's class.
