A couple of points:
1. Spoke to rich abt some general items and cash flow. Stress level seems=lower (not sure why, but thank you for not alarming him). Also, all the mi=takes notwithstanding--and you right there are a ton of them--he never "ca=eated" what he sent as early, incorrect and iterative...stupid of him. Sti=l obviously think he needs to be properly bolstered.
2. Different subjects: want to talk to you abt cfo description and interest=rate on trust to phaidon loans. Thx, b Sent from my Verizon Wireless BlackBerry
